They may be asked to withdraw from the program if attendance is poor *without refund of fees*.

DANCER'S GOALS FOR 2020-21 SEASON

In order to support our dancers to their fullest potential and understand their goals for next season, please provide us with any information the artistic faculty should be aware of to make informative decisions. (Example: summer programming/audition support, solo/duo/trio/small group consideration within a specific discipline, classroom specific goals, post-secondary aspirations)

Upon submitting an application for the RWB School Dance Ensemble and/or Intensive Training Program, the application will be reviewed by a panel of artistic faculty and prospective students will be contacted regarding acceptance or further audition requirements.

Please note that acceptance in these programs may not be confirmed prior to placement distribution or the start of the registration period. Should your child be accepted into a program after they have registered for the 2020-21 season, their class fees will be transferred to your applicable program upon request.

Please email completed form to the RWB School Office for consideration at school@rwb.org
